

Sensitivity analysis for the raint variable

Parameter(s) tested: sea on the Principal plant

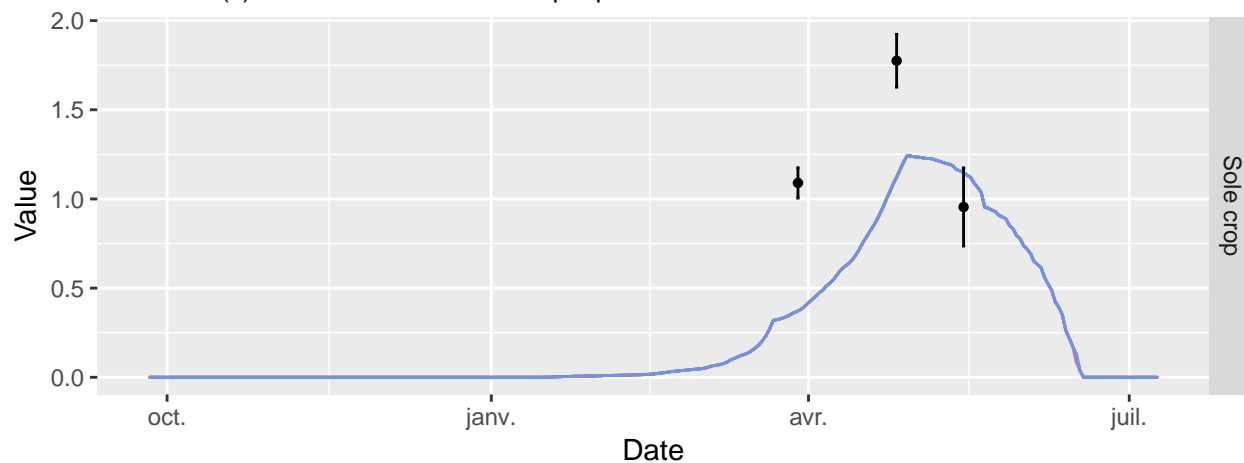

Simulation

- Max/Min simulation
- Mean simulation
- simulations

Sensitivity analysis for the lai_n variable

Parameter(s) tested: sea on the Principal plant

Measurement

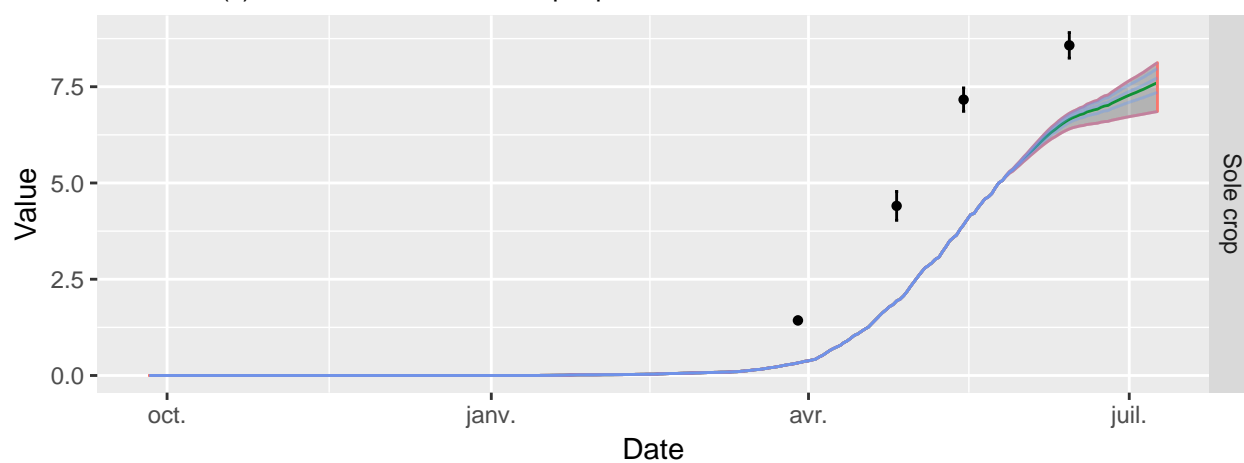

- Measured +/- Sd

Simulation

- Max/Min simulation
- Mean simulation
- simulations

Sensitivity analysis for the masec_n variable

Parameter(s) tested: sea on the Principal plant

Measurement

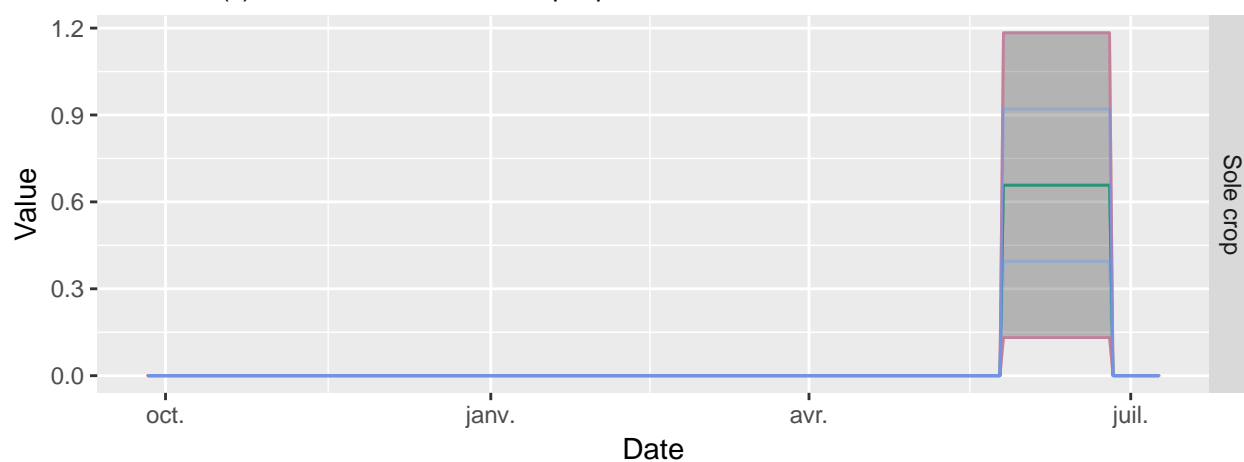

- Measured +/- Sd

Simulation

- Max/Min simulation
- Mean simulation
- simulations

Sensitivity analysis for the eai variable

Parameter(s) tested: sea on the Principal plant

Simulation

- Max/Min simulation
- Mean simulation
- simulations
